Flash Guide Numbers - Speedlite Review

But I'm glad to say that now I've learned all about it, the 580EX II totally justifies its large price tag. For me the three main features that put this unit ahead of all of Canon's other flashes are (1) weather sealing to match the 1-series cameras, (2) the stonking great guide number of 58m/190' at maximum zoom of 105mm, and (3) on-board master remote transmitter for slave flashes.
