Cultural history definition is - the history of a culture or culture area; specifically : a history treating one or a number of historic world cultures as an integrated unit for purposes of cross comparison with others and for analysis of the forces presumed to be in operation as regards cultural growth, development, fruition, and decay.

Cultural History | Definition of Cultural History by ...

Cultural history Cultural history is not simply the study of high culture or alternatively of peoples' past rituals. It is best characterised as an approach which considers the domain of representation and the struggle over meaning as the most fruitful areas for the pursuit of historical understanding.

Cultural History - Themes - Making History

Cultural history combines the approaches of anthropology and history to look at popular cultural traditions and cultural interpretations of historical experience. It examines the records and narrative descriptions of past matter, encompassing the continuum of events pertaining to a culture. Cultural history records and interprets past events involving human beings through the social, cultural, and political milieu of or relating to the arts and manners that a group favors. Jacob Burckhardt helps

Cultural history - Wikipedia

Given that this is a cultural history, it lacks rigour, at each critical point in an engrossing story, about the wider social and cultural determinants which, he says, the dead assist. He shows how fashion and science influenced practice with the corpse, but not so convincingly the converse: the wider trends into whose service the dead were, he says, conscripted.

The Work of the Dead: A Cultural History of Mortal Remains ...

Organized chronologically, this new cultural history features a dazzling range of artists and writers, including William Hogarth, William Blake, Henry Fuseli, Dante Gabriel Rossetti, John Everett Millais, Susan Hiller and Jeremy Deller; John Donne, William Shakespeare, Samuel Pepys, Daniel Defoe, Percy and Mary Shelley, Emily Bronte, Charles Dickens, Wilkie Collins, Henry James, Thomas Hardy, Muriel Spark, Hilary Mantel, and Sarah Waters.

Cultural history is not to be defined by a set of rules or a distinct subject matter. It is not just, what the German term Kulturgeschichte denotes, a study of the activities within the sphere of 'high culture'; nor is it exclusively to be seen as an exercise in interpretation of symbolic acts and rituals of people in the past.

Cultural History Cultural history brings to life a past time and place. In this search, cultural historians study beliefs and ideas, much as intellectual historians do. In addition to the writings of intellectual elites, they consider the notions (sometimes unwritten) of the less privileged and less educated.

Cultural History | Department of History

Culture is a bond that ties the people of a region or community together. It is that one common bond, which brings the people of a community together. The customs and traditions that the people of a community follow, the festivals they celebrate, the kind of clothing they wear, the food they eat, and most importantly, the cultural values they adhere to, bind them together.

A Brief Overview of the Importance of Culture - Historyplex

A Cultural History of Climate is largely a cultural history of European climate, although Behringer occasionally visits non-European cultures from time-to-time. It would be good to see companion studies from outside the boundaries of Europe.
