To get started, create a team of quality
professionals who are responsible for
ensuring the delivery of quality products
and services to the organization's
customers. Some members of this strategic
quality planning team might not be
involved in the day-to-day responsibility
of managing quality.

Quality Excellence Begins with Strategic
Quality Planning ...

Business Excellence is defined simply as:

Acces PDF Achieving Excellence In Business

Quality And Reliability
An integrated collection of proven practices for how a business should operate to become the best it can possibly be – i.e. world class. It is applicable to all businesses whether private or public, for-profit or not-for-profit and small or large. Of course it yields substantial net financial benefits.
