An Introduction to Integrative Psychotherapy by Ken Evans ...

Psychotherapy integration can be defined as an attempt to look beyond the confines of single-school approaches to see what can be learned from other perspectives (Stricker, 1994). It is characterized by an openness to various ways of integrating diverse theories and techniques.

An Introduction to Psychotherapy Integration | Psychiatric ...

Integrative counselling and psychotherapy is a relational process. This means that the therapeutic relationship is an essential ingredient in the work that the therapist and counsellor do together. The alliance between client and therapist is the vessel for the therapeutic journey; when it is valued and nurtured, it provides the safety needed for the work to take place.

Integrative Counselling and Psychotherapy • Counselling Tutor

Integrative Psychotherapy embraces an attitude towards the practice of psychotherapy that affirms the inherent value of each individual. It is a unifying psychotherapy that responds appropriately and effectively to the person at the affective, behavioral, cognitive, and physiological levels of functioning, and addresses as well the spiritual dimension of life.

An Introduction To Integrative Psychotherapy

Integrative counselling, as the name suggests, is a combined approach to psychotherapy that brings together different elements of specific therapies. Integrative therapists take the view that there is no single approach that can treat each client in all situations. Rather, each person needs to be considered as a whole and counselling techniques must be tailored to their individual needs and personal circumstances.
