**Angels in the Moonlight** is the prequel to the brilliant Dublin Trilogy and it takes us back to 1999 when Bunny is still working as a detective. If you haven't read the first two books in the trilogy **Angels in the Moonlight** is a great place to start (obviously ... it's a prequel!) and it is equally great for those who are familiar with and, let's

Vol. 57, No. 3, July 2019. Description. Brian Slawson 's Angels in the Moonlight takes its influences from two well known pieces, the traditional French hymn Angels We Have Heard On High and Beethoven's immortal Moonlight Sonata. By choosing these two contrasting works as his wellspring, Slawson is able to create different moods throughout the piece making it an extremely engaging piece, perfect for any holiday themed concert.
