~~8 reviews of New Art Beauty Salon "I've never come here for a haircut, but Lisa who does facials in the back of the salon is amazing. She spends over an hour pampering you with eyebrow plucking, blackhead removal, and a bunch of other therapies, treatments, and high tech equipment I don't know the name of. I usually get the full facial, but you can ask about specific treatments for dark spots ...~~

What is the best hair dye colours brand? Using colour changing hair dyes is actually more about science than hairdressing. It's not a matter of finding the best brand of hair dye colours or bleach as such, but more about finding the right hair colouring products for what you want to achieve, and applying them correctly. In addition, you also want the best hair care products such as toner ...

~~Hair Colouring at Hairhouse~~

In choosing the shade for your highlights, what you should remember is warm colors adds to a youthful look. For instance, brunettes should choose caramel hues rather than ashy ones. Also, women with red hair should opt for copper tones rather than burgundy.
