While playing different roles, women make the world work. But given the way power relations operate, women can also remake it – and this remains the main argument of Enloe’s book. *Bananas, Beaches and Bases* broke IR out of its straightjacket (high politics of hot and cold wars) already in 1989. Enloe provided the solution to the problem of women’s exclusion by remapping the boundaries of IR – specifically showing how the personal is also the international, shaped by as well as ...
