You can create a reminder and have Cortana remind you about something at a specific time, when you get to a specific location, or when you talk to a specific person. You can also just say something like "Remind me to take my pill at 8pm" or "Remind me to buy milk when I get to [name of a store]" to instantly create a reminder.

~~15 Things You Can Do With Cortana on Windows 10~~

If it still isn't correct, Cortana will ask you to enter the name the way it would be pronounced in English i.e. phonetically. You can give it a few tries with the phonetic spelling and hear how Cortana pronounces it each time. This is about as refined as it can get and the pronunciation was very close to the correct one.
