Capitalism and Freedom is a book by Milton Friedman originally published in 1962 by the University of Chicago Press which discusses the role of economic capitalism in liberal society. It sold over 400,000 copies in the first eighteen years and more than half a million since 1962. It has been translated into eighteen languages. Friedman argues for economic freedom as a precondition for political ...

Capitalism and Freedom - Wikipedia

If you don't have liberty, you don't have capitalism. As we lose our liberty, bit by bit, we are changing our economic system from capitalism to a mixed economy, a mix of freedom and government controls on freedom. If we continue, we will have no liberty and only controls, call it what you wish. 345 views.

What is the relationship between liberty and capitalism ...

Anarcho-capitalism is a political philosophy and economic theory that advocates the elimination of centralized states in favor of a system of private property enforced by private agencies, free markets, and the right-libertarian interpretation of self-ownership. In the absence of statute, anarcho-capitalists hold that society tends to contractually self-regulate and civilize through ...
