Chameleon In A Candy Store
Chameleon in a Candy Store is emotional BDSM-- in the best way possible. The differences between cynicism and eroticism are blurred; vengeful lust and inundating love are melted together. Our contemporary Bukowski of prose arranges a chaotically gorgeous, hypnotizing symphony of gruesome honesty, complemented by delicate harmonies of light metaphor and poeticism.~~~~

Chameleon in a Candy Store wasn't my most proud purchase, only because I purchased it via Kindle. I would have much preferred the paperback, which I bought later, but I needed the instant satisfaction of having it now. I couldn't remember the last time I felt more compelled to make an impulse purchase on a book.

This is a book that sticks with me and carries meaning a good amount of time after I've read it. I find myself thinking about some scenes from the book occasionally, which is unusual, but Chameleon in a Candy Store has made an impression on me. It's very crude or dark but often in a humorous fashion.
