Chanting From The Heart Buddhist

This book is a biography of Gautama Buddha that seems to be written for one who will be practicing Thich Nhat Hanh's flavor of Rinzai Zen Buddhism. After reading *Old Paths, White Clouds*, I believe a practitioner with no practice center nearby would have a bit easier time using *Chanting from the Heart* than if he or she started practicing only having the knowledge in this book.

The Plum Village Tradition of Zen Master Thich Nhat Hanh
The Heart Sutra made a late appearance at a time when
Tantric Buddhism had begun to flourish. The patriarch who
compiled the Heart Sutra wanted to encourage followers of
Tantric Buddhism to practice and recite the Heart Sutra, so
that's why he presented the Heart Sutra as a kind of mantra.
This was also a skillful means.

Traditional Chinese Pure Land Buddhism emphasizes three elements of Buddhist life as being essential for rebirth in the Pure Land: faith, vows, and chanting the Buddha's name. The Pure Land to which the faithful refer is a realm in which the Buddha Amitabha (in Chinese, Emituo Fo), literally "Infinite Light," resides. To be reborn in the Pure Land can mean rebirth in that realm after one's physical death, or it can mean rebirth here and now into a pure mind.
