What is child abuse? Child abuse is when a child is intentionally harmed by an adult or another child – it can be over a period of time but can also be a one-off action. It can be physical, sexual or emotional and it can happen in person or online. It can also be a lack of love, care and attention – this is neglect.

*What is child abuse? | NSPCC*

Physical Abuse If a child is deliberately hurt causing them physical harm, such as cuts, bruises, broken bones or other injuries, this would be considered a form of physical abuse. Physical abuse can include hitting, shaking, throwing, poisoning, burning, drowning, suffocating or otherwise causing physical harm to a child.
