From talking to a number of CIMA students, the consensus is that the P2 paper is the hardest out of all the CIMA exams. This is backed up by the May 2014 results where only 53% of students passed in the UK and only 45% worldwide. In order to help you, I've put together a list of ten essential tips to passing this exam, so that you can avoid the agony of failing and instead experience the relief of getting through.
