This Traditional Tales Kindergarten PowerPoint is great for introducing kids to elements of traditional tales and stories. It helps to teach them all about how traditional tales begin, the different themes they use, and the different sorts of settings. It also asks them to think about any elements of traditional tales and characters that they can think of themselves.

Fairy tales also do an amazing job of teaching children about class and culture, in eras long ago, but the realities are still relevant in modern times. Many cultures share these stories as well because they represent common narratives and issues all of us face regardless of where we reside in the world. We all struggle to overcome
