Consumer Behavior explores how the examination and application of consumer behavior is central to the planning, development, and implementation of marketing strategies. The tenth edition captures the impact of new media on consumer behavior and focuses on the marketer's ability to learn more about customers' purchases in order to implement a strategy with greater precision.

In the Twelfth Edition, Solomon has revised and updated the content to reflect major marketing trends and changes that impact the study of consumer behavior. Since we are all consumers, many of the topics have both professional and personal relevance to students, making it easy to apply them outside of the classroom.
