CrossFit Beginner's Guide: 8 Things to Know Before ...

CrossFit follows a three-day-on, one-day-off cycle which will not correspond to a day of the week. At the end of this 28-day cycle, you can go back and repeat from day one but should expect better results as your fitness will be at a greater level than before.

The 28-day CrossFit Program for Beginners | Muscle & Fitness

Most running in CrossFit workouts is focused on short intervals of 400 or, at most, 800 meters. Yet training longer distances is beneficial not only because it 'll make you a better runner, but also because it 'll improve your stamina, build your engine and improve your general physical and mental health.
