8 May 1960. (1960-05-08) (aged 62) London, United Kingdom. Occupation. Judge of the international court of justice. Sir Hersch Lauterpacht QC (16 August 1897 – 8 May 1960) was a prominent British international lawyer and judge at the International Court of Justice .

Hersch Lauterpacht - Wikipedia

Edited by Hersch Lauterpacht. Share. Originally published in 1958, as a revised edition of The Development of International Law by the Permanent Court of International Justice (1934), this book received the Annual Award of the American Society of International Law in 1960. The achievement of the text is that, rather than attempting to provide a treatise on the organisation of international law, or a systematic digest of decisions made, it finds its basis in an appraisal of the international ...

Read PDF Development International Law Court Lauterpacht Sir

Abstract. Hersch Lauterpacht (1897-1960) was arguably the last century`s most influential international lawyer. His work was based on an attack on sovereignty and embraced the domestic analogy - the view that there was no good reason to differentiate between the legal (and moral) principles applicable in the domestic and the international realm. This applied likewise (and perhaps above all) to principles of criminal responsibility.

Hersch Lauterpacht and the Development of International ...

It covers international public and private law related to international courts and the development of international law. Under Article 38 of its Statute, the International Court of Justice can apply judicial decisions only as a "subsidiary means for the determination of rules of law".
