Mrs. Wishy Washy is a favorite book choice for shared and guided reading in the younger grades. Young children love this delightful story about Mrs. Wishy Washy and her quest to keep her farm animals clean. Its repetitive, easy to follow text and supportive pictures make it a perfect choice for beginning readers.

This book is about Mrs. Wishy-Washy washing all her animals one day. When she tells them to get into the tub, all the animals hide in different places, including the garden, the shed and even under the bed. When she discovers they are all missing, she falls into the tub and all the animals come back smiling. I like this book for younger kids.
