Deep breaths connect that mind-body experience. YOU have power to calm your mind and bring stillness into your body. We can help to tell our bodies that it's ok. Teaching kids to breathe and create stillness is so powerful. Numerous times when we've been on family hikes, I'll hear my little two year old start taking deep breaths.

Take a DEEP breath. Calm your mind and be STILL.

If you want to feel this and you have these questions in your mind, then you are in the right place because I am going to show you the best way through which you can feel this. Once you start using your breath in your improvement in releasing your stress and worries, then you are lucky because it is one of the best feelings in the world.
