(09-15-2016, 09:18 PM) vaidasvdv Wrote: you cannot use alfa ecu.

NO not posible. read pin, program it with opcom. i have the pin, keys are programmed but dont wish to use everything from the doner car, i only wish to use the ecu, engine and engine loom. alfa 1.9 is a non canbus car, opel is a canbus. if i have to swap everything then it is going to make the whole conversion 10 times harder.

To make the terminology easier, all programs dedicated to immo are called IMMO OFF programs. Although the majority of programs do not actually remove immobiliser permanently, but replace it, the effect remains the same – as long as Julie Emulator is connected to the ECU, the immobiliser is turned off.
