When you want to send your PowerPoint presentation to others, it ' s easier to do when the file size isn ' t too big. You can compress, or zip, the file in Windows, which shrinks the size of the file but retains the original quality of your presentation. You can also compress the media files within the presentation so they're a smaller file size and easier to send.

Zip a file - Office Support

Uninterruptible power supply with IQ technology for DIN rail mounting. Input: 120/230 V AC, output: 120/230 V AC/1 kVA. Provides information regarding the state of charge, remaining runtime, and service life of the rechargeable battery module at any time, thereby increasing system
