~~The main idea behind the lay the draw strategy is that we are initially betting AGAINST the draw safe in the knowledge that when a goal is scored in football the price on The Draw will rise and we can trade our bet out by now betting FOR the draw.~~

Lay The Draw Football Trading Strategy- The Ultimate 2020 ...
The basic idea of the Lay the Draw trading strategy is to place a lay bet on the draw prior to the start of a football match. You then simply wait until a goal is scored, ideally by the favourite of the match. Consequently, the draw will become less likely and the odds for the draw typically go up.

Lay the Draw in Football Strategy - SportsBettingQuant
Lay the draw football strategy as we said before it is a rather simple procedure and thus a popular betting strategy. But what is lay the draw? The general idea is to avoid the draw. If you consider that draw is confirmed at approximately 30% of the matches, that means that punters have a 70% winning probability.

Back the Draw | Set-and-Forget Football Betting Tips
Instead of betting that a draw will happen, we are betting that the match result WILL NOT be a draw. In other words, either the home or away team will win. This strategy is almost always used in-play. To get a better idea of how the strategy works, let's take a look at an example setup:

Laying The Draw Tips and Tricks | Still A Profitable Strategy?
A good example of a football strategy you can use on Betfair is called Laying the Draw. This approach has been popular for a while and as a result, it's not that profitable as it used to be. However, there are still opportunities to make money with low risk. As the name suggests, you will be laying the draw in certain football matches.

Five best football betting strategies | Mike Cruickshank
Lay the draw (or "LTD") strategies involve placing a lay bet on the draw. Once the favourite scores a goal, the draw price will rise and you will be able to close out your trade for a profit. If the match ends in a draw, your trade loses. At a traditional bookmaker you're able to back various outcomes, perhaps a home win or over 2.5 goals.
