"From Third World To First" is an exciting read because we already know it has a happy ending. Singapore, the city state that no one in 1965 expect to make it, did, and become what others have called a country "that punches above its weight". I have wanted to read this book when it was first published back in 2000.

Singapore: From Third World to First? The coverage of Singapore under the late Lee Kuan Yew consistently emphasizes a theme of rapid economic development in an inauspicious context, encapsulated by the slogan "From Third World to First." See e.g. [here](#) and [here](#). This goes back to a book with the same name from 2000.
