### Tim Turner - Freedom of Information requests - WhatDoTheyKnow

James Timothy Turner was for years the self-appointed "president" of the Republic for the united States of America, which grew to become the country's largest and most organized group of sovereign citizens — people who wrongly believe that they are exempt from most criminal and tax laws and also think the federal government is illegitimate. Unlike other, small-time sovereigns who largely limit themselves to spouting bogus theories about how to get out of taxes and bankruptcy and ...
