Buy original, new parts for a DNA 50/125/180 motorcycle from Europe ' s Number 1 spare parts provider - MSP. An unusual fusion of scooter and motorcycle actually had quite a lot going for it and proved reasonably popular, despite its small-wheeled size. Available as both a 125 and 180, the DNA looked like a sporty mini-bike but with a CVT automatic scooter transmission rode like a twist-and-go scooter.

The selection of tyres for your GILERA DNA 125 / 180 (> 2001) must be made carefully, with consideration for several factors, including the type of motorcycle, the dimensions, and the manner in which the vehicle is used, with respect to the routes that are taken on a daily basis. To help you in this delicate research stage, Pirelli has created a comprehensive tyre catalog for GILERA, designed to ensure excellent driving performance in all conditions, and absolute safety.

Gilera DNA 125 / 180 (> 2001) tyres: find the most ...

they make a factory 180 version.... dna 180 is 4 stroke, runner used to come in 180cc 2t or 4t versions, but now I think they just make the 4t... I reckon a 125 runner would make a good commuter, like others have said any 4t 125 bike will probably be just as good but the extra weather protection from the leg shields on a scooter will probably be handy.
