A fortune teller (also called a cootie catcher, chatterbox, salt cellar, whirlybird, or paku-paku) is a form of origami used in children's games. Parts of the fortune teller are labelled with colors or numbers that serve as options for a player to choose from, and on the inside are eight flaps, each concealing a message.

An automatic online paper grader will NEVER: Assess whether the paper meets the assignment requirements. The most advanced AI can't make sense of your professor's directions, so it won't be able to tell whether you did a good job. And you can forget about meaningful comments on how to make things better.
