A History of Pedagogy By Etiennette Vellas, PhD in Educational Sciences Throughout the passage of time, it has always been necessary to educate children. And there have always been pedagogues – that is, people developing pedagogical programs through the rethinking of their own experience.

History of pedagogy - Le Pôle - lepole.education

Owen's Infant School was the first of what became a broader movement in the 1820s in the United Kingdom, in North America, and more broadly. Owen's pedagogical approach was, however, not adopted by all such programs, many of which followed a more restrictive, instructive monitorial model.
