surprising climax... The premise is
hauntingly believable and I could
definitely see this becoming a movie, not
unlike The Girl on the Train. Would love
to see this become a series with these multi-
faceted characters.

I See You by Clare Mackintosh: Summary and reviews

On some laptops, you ' ll see the number on a sticker. On others, you ' ll see the number printed directly on the metal or plastic the laptop is made from. If your laptop has a removable battery, the serial number is sometimes on a sticker inside the battery compartment, under the battery. If you have a desktop PC, look at the back, top, or side of the case for some sort of sticker. The number may also be on a sticker inside the case, so you might have to open it up. If you can ' t find the ...

The ending was farcical and things had picked up by then with lots of possible suspects for the bad guy, so a shame. The biggest moment of farce was Zoe paying £ 1000 on the ex's credit card to see the website for herself. Why pick the platinum package just to see first hand that you are on a website? *possible spoiler*
