*Exam Discussion: Biology HL paper 3 TZ2 : IBO*

The way in which I'm facing Bio HL is that I'm just studying P1 and 2 (alongside section B, because I have chosen option D and I just introduced it in my notes) and the day before I'll revise section B and study section A (which is better than what I did last year, as I left everything for the day before, as I didn't go to class during the whole Year 2).

*Biology Paper 3 HL : IBO*

Paper 3 - The Breakdown. Paper 3 comprises two sections; Section A is compulsory and you will most likely have two questions of which one will be data-based and the second will be based on at least one of the prescribed practicals you should have carried out during your taught course. Irrespective of level, this section is worth 15 marks of the total for paper 3; it is therefore more significant for SL students.
