Amazon.com. Read honest and unbiased product reviews from our users.

~~Amazon.co.uk Customer reviews: Kingdom of Fear: Loathsome ...~~

Hunter Thompson takes stock in his tumultuous life and assesses the current situation in America in a very aptly titled book. At its best, Kingdom of Fear evokes the glory days of Thompson. At its worst, it wallows in some rather pitiful encounters which may have been better left unsaid, such as his flirtation with an 8-year-old Xania.
