Lean from the Trenches Managing Large-Scale Projects with Kanban by Henrik Kniberg. You know the Agile and Lean development buzzwords, you've read the books. But when systems need a serious overhaul, you need to see how it works in real life, with real situations and people. Lean from the Trenches is all about actual practice. Every key point is illustrated with a photo or diagram, and anecdotes bring you inside the project as you discover why and how one organization modernized its ...

Even though the title and cover pages are 100% buzzword compliant, which is a warning sign by itself, Henrik Kniberg seems to have achieved a satisfying result in his book 'Lean from the Trenches: Managing Large-Scale Projects with Kanban'.

Lean from the Trenches by Henrik Kniberg - Goodreads

Lean from the Trenches: Managing Large-Scale Projects with Kanban is a book about a real public service project that was experiencing problems and how a team solved it. It is a story of how a 60-person project team developed a complex software system for the Swedish Police using Lean and Kanban practices.
