Lesson Plan Title :

Patterns. Age Range:
Kindergarten through
Grade 2 (Primary /
Elementary School)

Overview and

Purpose: This activity
will help students see
the logic of creating
patterns and help
them begin to be able

Where To Download

to create their own.

The lesson should begin with the definition of the word 'pattern' (things arranged following a rule).

Lesson Plan: Patterns
Students will be able to identify what a pattern is and predict what should come next in patterns.

Where To Download

Students will be able to create an AB pattern. The adjustment to the whole group lesson is a modification to differentiate for children who are English learners.
