The Friedland Libra Range -  
Discontinued. The Libra  
range was produced for some  
7 years, and was  
discontinued around June  
2006. The range was very  
popular, and offered a  
selection of both plug-in  
and portable models, with  
distances from 50metres to  
200 metres. Unfortunately,  
Friedland do not offer any  
spares for this range, and  
it is impossible to obtain
