Listening Power. The art of good conversation centers very much on your ability to ask questions and to listen attentively to the answers. You can lace the conversation with your insights, ideas, and opinions, but you perfect the art and skill of conversation by perfecting the art and skill of asking good, well-worded questions that direct the conversation and give other people an opportunity to express themselves.

Listening Power - Brian Tracy

The power of listening One thing quiet people tend to be good at is listening. Dale Carnegie, in the seminal How To Win Friends and Influence People espoused listening skills, coupled with great and genuine questions, as the means to get along in life. We all love the sensation of being listened to.
