leading global city. Investment in the London hotel market during 2018 was buoyed by a strong year in portfolio sales, leading to a respectable

## REVIEW 2019 - Knight Frank

The hotel real estate market is expected to remain healthy in 2019, thanks to strong fundamentals driven by a positive outlook on tourism travels, sustained growth forecasts for hotel operating performance and a record level of dry power for acquisitions. Return on hotel investment is attractive, compared to other asset classes and we expect global hotel investment volumes to hold steady in 2019.
