Mastering Emacs

"Mastering Emacs" is a great reference for many Emacs features, both widely known and quite obscure. As for the book part (especially, a book for beginners) - not so much. Sometimes it gets incoherent describing different customizations, pointing at caveats that are not relevant at the novice level.

Mastering Emacs by Mickey Petersen - Goodreads

A review of Mickey Petersen’s “Mastering Emacs” book, for beginners and advanced users 29 May 2016, by Artur Malabarba. I wish I had reviewed this book when it first came out, over one year ago. Alas, those were busier times and this piece of work deserved more than a short post hastily written between seminars and group meetings.
