Top 10 Reasons Men Are Better Than Women: 10. Men think sex and love are different. In today’s world it is very common to have sex after a few days into the relationship and yet women would call it humiliating if the guy ditched them right after having what he wanted. Men on the other hand would never curl up in fetal position and cry for the blondie who didn’t call them the next day after ...

The Art of Chauvinism is the application of one simple universal principle: Men Are Better Than Women. It’s true from the day we’re born to the day we die. It’s true in every single facet and function of life. It’s true for the smallest of insects to the largest of professional wrestlers. Peacocks are better than peahens, men are better than women at loading a dishwasher, and Mars is ...

Men Are Better Than Women, by Dick Masterson

Women don't age so well. See Jackie Stallone. 10. Men can drive It's a common fact that men are, on average, five times better than women at driving. Men see parallel parking as a challenge to be conquered; women see it as daunting and downright impossible. Men use their rear view mirror to check their surrounding; women use them to apply ...

10 REASONS WHY MEN ARE BETTER THAN WOMEN | Goodwin Smith

There is nothing better than facial hair. Period. Do the female population favor - just stop shaving for a week or so. Let that beard grow. 5. Men don’t have to work out. I’ve dated quite a few guys within the past 5 years and I don’t think one of them had a six-pack, a nice set of arms, or some rockin’ legs. To be quite honest, I didn’t care. Call me cliche, but I like guys for ...

9 Reasons Why Men Have It Better Than Women

Actually, women are better than men! Scientific research says that women are cleverer than men! Also, the average female lives 5 or 10 years more than a man. Most of the faces you see on TV that have done something wrong are more likely to be male faces. Supporting fact one, women are more likely to graduate because of application numbers.

Are men better than women? | Debate.org

Throughout history, it has been proven countless times: men write better than women. Even though there are a lot of very popular books written by female writers on the bestseller lists, the reviewers think that men outnumber women in this field because the quality of the work they provide is better and more attractive to readers. This is simply because men emotionally detach themselves from ...

In a world where men earn more than women and where females are completely under-represented on managerial boards, it is nice to know there are many advantages women have on their hands. Some feminists are really not happy about a recent study that discovered that men throw better than women, although a lot of women have been doing well in javelin and discus games in the Olympics. Nevertheless ...

Gender War: 21 Shocking Reasons Why Women Are Better Than Men

In Men Are Better Than Women, Dick Masterson dispenses logic from his man mouth into the eyes of his male readers like some kind of mighty mother man eagle with nutrient-rich word vomit. It's a book that makes you feel like driving a train into a dynamite factory and then tearing a telephone book apart with your bare hands, just because that's the way men have always done it. Masterson's ...

I don't think that men are really better than women and would also have to say that Dick can be a bit over the top.If you are a woman you would need a fairly thick skin to even get past the first page. But it is well written and very witty in most parts if a bit rude and crude.(Probably not for the faint hearted or easily offended).The sort of book that you just dip in and out of when you just ...

Men better than Women in Mathematics: A myth or reality?

Women say that they are better than men to stroke their egos, but even those women know the truth. 1. Women are extremely insecure. This might be due to biology, but they use it as an excuse to treat others poorly and avoid responsibility for their actions. 2. Women lack self-criticism. They get super-defensive and hostile when someone points out that their behavior is detrimental to ...

Are women better than men? | Debate.org

Yes and no. The way IQ is spread across genders men will be the best of the best but the average man and woman will be about equal. Although in some maths specifically men might excel over women because men seem to have a biological strength of spatial awareness ie like architecture so some math men might be better at.
