I decided to go way back in history with  
Merciless, book 1 in the Age of Conquest  
series, by Tamara Leigh. Set in 1068, 200  
years before her Age of Faith series, it  
chronicles how the Wulfrith family came to  
be. The book has all the stuff a medieval  
fiction fan can want – daring knights,  
determined ladies, betrayal, and romance.
