About the Author - My Big Toe

I began reading My Big TOE having full familiarity with the terrain through which he offers guidance, but nevertheless forgave Campbell's condescending tone. Indeed, Campbell describes what he terms the Big Picture in a way that is appropriate to engage and instruct the uninitiated - perhaps those he considers insufficiently enlightened.

An Elegant Big Theory of Everything: My Big TOE by Tom ...

The big toe is a small part of the body but a major player in many physical actions we take for granted. Never mind squatting down to pick up something – every time you take a step your big toes flex to support you and help you keep your balance. Big toe pain can compromise your daily life to a point where even walking to the car is challenging.
