PDCA seeks to make the painting and decorating industry less opaque both to those who work within it and to those who invest in its services. Standards are organized into seven sections: (1) scope, (2) significance and use, (3) reference documents and standards, (4) definitions, (5) standard specification, (6) comments, and (7)

Painting and Decorating Contractors of America PDCA ...
The PDCA Estimating Guide provides excellent tables for the conversion of structural steel members. There are no tables provided for open web joists, the accepted practice is to use the length of the joist multiplied by the depth of the joist, doubled. Using the PDCA tables, these are the quantities we would use for pricing:
