~~Philosophical Foundations Of Contract Law~~

In the last ten years, there has been a revival of interest in the philosophical study of contract law. Much of the discussion relates back to Charles Fried's 1981 claim that contract law is based on the philosophy of promise, generating what is today known as "the contract and promise debate.". This volume taps into this renewal of interest by bringing together leading philosophers, legal theorists, and contract lawyers to discuss

the philosophical foundations of this area of law.

~~Philosophical Foundations of Contract Law
Oxford Scholarship~~

In 1981 Charles Fried claimed that contract law is based on the philosophy of promise and this has generated what is today known as 'the contract and promise debate'. Cutting to the heart of contemporary discussions, this volume brings together leading philosophers, legal theorists, and contract lawyers to debate the philosophical foundations of this area of law.
