In The Politics of Reality: Essays in Feminist Theory, American feminist philosopher Dr. Marilyn Frye compiles a collection of her essays (nine in total) pertaining to patriarchy, separatism, race, and oppression (among other topics). Overall, the arguments were candid, concise, and structured (although I do take issue with some of her conclusions).

Abstract. Marilyn Frye's first book, *The Politics of Reality: Essays in Feminist Theory*, presents nine philosophical lectures: four on women's subordination, four on resistance and rebellion, one on revolution. Its approach combines a lesbian perspective with analytical philosophy of language. The major contributions of the book are its analysis of oppression, highly suggestive discussions of the roles of attention in knowledge and ignorance and in arrogance and love, a defense of political ...

Our Perception Of Reality Philosophy Essay. What is reality to us? Almost all of us believe in there being one reality which is free from all opinions. Something that just is. Something which is true, undisputable. We perceive this reality to be something which we cannot change in any way. The funny thing is that this reality may not really exist.
