Pontypool Changes Everyting defies definition in a lot of ways. One of the biggest complaints that gets leveled against it (at least by people that I know) is that it is supposed to be a book about a zombie outbreak and, yet, the zombies in the book are more conceptual than literal. It is difficult to feel afraid of the zombies.

Tony Burgess, *Pontypool Changes Everything* (ECW Press, 1998) And the award for most-adapted screenplay goes to Bruce McDonald's *Pontypool*, one of the best films of 2008. I say "most-adapted" because Burgess' screenplay for the film and the book Burgess wrote ten years before the film was released are two entirely different animals. One can't really say that the book is better than the movie or ...
