In addition, the Progress Study built on commissioned thematic and country-specific research, which provided evidence on young people ' s participation in formal and informal peace processes, and the relationships between the YPS agenda and issues of countering violent extremism, transitional justice, migration, and social media, to name a few. This research also served to identify existing knowledge gaps in youth, peace and security.

Progress Study on Youth, Peace and Security

The Progress Study on Youth, Peace and Security aims to address YPS issues and help counter negative stereotypes about young people. These include their portrayal as primary perpetrators or...

Progress Study on Youth, Peace and Security

A key goal of UNSCR 2250 is the fuller inclusion of young people in peace and security. The Progress Study models this intent through an inclusive and participatory methodology, reflected in these regional, national and online consultations. National consultations with young peacebuilders have taken place in: Myanmar, Colombia and Libya.

Progress Study | National Consultations | Youth4Peace Portal

The Progress Study drew on the thematic expertise of scholars and practitioners to analyze key areas related to the Youth, Peace & Security agenda. Numerous partner organizations developed thematic background papers and country-level analyses, to inform the Study and also help guide their own institutional thinking around youth, peace and security.
