Vampire Academy Series 3:
Shadow Kiss. A little
background... I am in my mid 20's
and a high school teacher who
loves to read when I can but
doesn't get much time to do it in.
I picked up the twilight series a
year ago at a student's request
and was pleasantly surprised.
Once the series was finished I
needed another one!

I've read a few of Richelle Mead's series and what I always admire about her is her storytelling. Each book has its own solid story arc but also moves along the arc for the series. Here, Shadow Kiss hints at placement for Lissa in the Royal Court, while solidifying Adrian as a possible love interest for one of the characters.
