Rebel is the second book in Amy Tintera's amazing Reboot series. Told through the dual perspectives of Wren (one-seventy-eight) and Callum (twenty-two), we pick up right where we left off at the end of Reboot. Wren and Callum have escaped their HARC facility whilst also breaking out all the Reboots from the Austin facility as well.

Rebel by Amy Tintera is the sequel to Reboot. The story is told from alternating POVs, Callum and Wren's. I liked how the story was told from two different POVs, but there's no clear distinction between the two. I felt like Wren And Callum didn't show enough their own personality. Callum didn't show enough of his personality and I really like Callum.

Amy Tintera has done it again, and she has managed to surpass REBOOT on so many levels! And that's hard to imagine, as much as I LOVEDDDDDD REBOOT when I read it last year! I can happily say, REBEL has come out on top in the duology, and become one of my favorites for 2014! In REBEL we had so much growth in the main character Wren.
