Rhcsa 7 Practice Labs - pompahydrauliczna.eu

Itfountain website provides a nice video about setting up an RHCSA/RHCE 7 lab in a VMware workstation (57min/2015), IBM offers a pretty old but still useful guide on the Best Practices for KVM, Lingeswaran's website provides a series of detailed tutorials about KVM installation & management,

RHEL7: Set up a lab. - CertDepot

The next step in your Red Hat Certified System Administrator exam preparation is to set up three virtual machines for developing the perfect lab to practice. The three virtual machines would have to be a client, one IPA, and one server. The three virtual machines should be created in unison with the host machine in the same network.

RHCSA 7 LAB Station Execution [RHCSA Exam Tasks] (2 of 2 ...)

I had to build my lab from scratch based off the study guides that I used for my RHCSA, and that helped tremendously. However, I'm preparing to take the RHCE again, and I'm finding myself working outside of the objectives again just to stand up the lab environment when I only need to practice the objective-related tasks.
