Rifles An Illustrated History Of Their Impact | calendar ... An Illustrated History by Arthur Nutbey. I've met a lot of gun nuts in my life and think I can say without fear of contradiction that all of them have been history nuts as well. Guns and history are subjects that are inextricably intertwined. Neither can be properly understood if divorced from the other.

The Illustrated History of Guns: From First Firearms to ... One of the earliest repeating bullpup designs was patented by William Joseph Curtis in 1866. The concept was later used in bolt action rifles such as the Thomeycroft carbine of 1901, although the increased distance from hand grip to bolt handle meant the decreased length had to be weighed against the increased time required to fire.
