## ~~RN Fundamentals Online Practice 2010 A – Nursing Education~~

This article reconsiders the fundamental patterns of knowing in nursing in light of the challenge of narrow empirics in the form of evidence-based practice. Objections to the dominance of evidence-based practice are reviewed, and the reasons for it are examined. It is argued that it is partially the result of weaknesses in the alternative patterns of ethical, personal, and esthetic knowing, the ineffability of which compromises accountability.
