For information on using the network adapter, see the device user's guide supplied with your computer (see Physically Connecting to a Network or Broadband Modem ). Connect USB devices, such as a mouse, keyboard, or printer. You can also connect the optional floppy drive directly to a USB connector using the optional floppy drive cable.

Got a question? Just check the user manual right from your phone. On your phone, navigate to Settings, then swipe to and tap Tips and Help, and then tap Help. The user manual will open via your internet browser. Tap the different options (i.e. Special Features) to learn more, or use the search bar to find something specific.
